

## WARSHAUER LAW GROUP, P.C.

### PROTECTING FAMILIES. DEMANDING JUSTICE. GETTING RESULTS.

Warshauer Law Group (WLG) fights hard to secure justice for victims of catastrophic personal injury and wrongful death. These skilled trial lawyers have achieved maximum recovery for their clients for over 30 years.

Clients of WLG have not hired a lawyer—they've hired a team. The firm's lawyers are involved in every case, bringing a wide range of skills to address each client's needs. The firm also employs a physician who provides insight into complex medical issues. WLG gets referrals from lawyers who know that the firm has the firepower to go toe-to-toe with anyone and a reputation that adds value to cases.

At WLG, lawyers limit their caseload to dig deeply into every case. They are known for devising novel approaches to difficult matters, and they routinely take on large, complex cases. WLG has the financial resources to ensure they are never outspent, the diligence to ensure they are never outworked, and the smarts to ensure they are never outmaneuvered.

All the firm's lawyers have been selected to Georgia Super Lawyers and Rising Stars. Lyle Griffin Warshauer has been named to the Super Lawyers list for 14 consecutive years, the 2020 Super Lawyers Top 100 list, and the Top 50 Women list for the fourth consecutive year. Michael J. Warshauer has been named to the Top 100 list for the second time and the Super Lawyers list for 16 consecutive years. Michael E. Pérez has also been named to Super Lawyers, and Trent Shuping and Jasper Abbott have been named to Rising Stars.
